

SPARTAN FLAG

Dear Spartan Supporter:

The Optimist Club of Solon in partnership with the Solon Booster Club is offering for sale Spartan flags mounted onto 10 foot poles to proudly display in front of your home or business. The 3 foot by 5 foot flags (purchased from the Booster Club) have the orange Spartan logo displayed on a black background. The Spartan flag, pole and ground receptacle (installed by the Optimists) are yours to keep and display whenever you desire.

The ground receptacle will be installed approximately 3-14 feet from the street in front of your home or business if you are a subscriber to the Optimist Avenue of Flags program (American flag). If you aren't, the Optimists will install the receptacle in your yard wherever you wish. The receptacle protrudes approximately 1/2" above the ground with a cap so as not to interfere with normal mowing. We will contact Iowa One-Call before placing the receptacle so utilities are not disturbed.

If you are a subscriber to the Optimist Avenue of Flags program, a ground receptacle will already be in place for your use. Simply insert your Spartan flag into the receptacle to show your Spartan spirit.

All proceeds from the Spartan flag program will go to support the Optimist Club of Solon's activities and projects benefiting our local youth organizations. Every flag sale also benefits the Booster Club since the Optimists purchase the flags from them.

If you wish to purchase a flag, please fill out the information below and mail with your check to the address shown. Any questions, please contact Joe Krob at 330-6536 or visit our website at www.solonoptimist.org.

Thank you for your support.
